

Economic Development Council of Colorado

## Economic Development Council of Colorado (EDCC) Scholarship Application

The scholarship program has been identified by the Professional Development/Education Committee as a valuable tool to assist economic developers with educational and professional development in the industry.

The EDCC Scholarship program contains two specific criteria and may award up to four scholarships each year with a maximum of \$500 per scholarship. All applicants must be a member of EDCC and may qualify for a scholarship once per calendar year.

1. Educational opportunities for professional development in the economic development industry (i.e., International Economic Development Council (IEDC), Economic Development Institute (EDI), Business Retention Expansion (BRE)).
2. Financial assistance to attend one annual EDCC conference
