Arrival at Rescue: 2007

History:

I'm proud to say I'm the Rescue's eldest! With arthritis in my knees, it takes me awhile to get going in the morning, but I don't have a problem keeping up with the herd. I was a pretty good barrel racer in my heyday and won lots of money. Now I take it pretty easy.

Arrival at Rescue: 2008

History:

My mother, Faya and I came to the Rescue together and I am so grateful for a new home with lots of love. We both recovered well but then at 36 YOA my mother became ill. I miss her a lot, but I am happy here at the Rescue and help with riding lessons. I recovered a bit too well and I am now on a diet!

Arrival at Rescue: 2010

History:

I came to the Rescue in March of 2010. I was born in Kentucky, and although bred as a race horse, I was never on the track. I came from Grand County and was very malnourished and unkempt when I arrived at the Rescue. I had little confidence and was quite shy. Since then, I have gained quite a bit of weight and love to be ridden and to run with the herd. I'm so impatient to get out and run with the herd that I hold my hoof in the air waiting for the gate to open.
